

FNSA SUSTAINING MEMBERSHIP . . .
An Investment In Your Future

Support of the Florida Nursing Students Association (FSNA) is one of the most important investments in our future. Becoming a Sustaining Member of FNSA, both as individuals and at your local district or unit is one way that we can make a difference. It is a win-win situation. The dues are sent directly to the Florida Nurses Foundation for use as FNSA Scholarships that are awarded annually during their convention. You will also receive the FNSA publication on a regular basis, as well as recognition in the convention booklet.

The total amount of funds that can be awarded to nursing students as scholarships depends directly on these funds. Interest from our Endowment Funds, Pennies PRN Drive and the silent Auction held during convention also contribute toward the scholarships awarded. You can see how important all these activities are in providing adequate funds for all students who apply and are awarded scholarships.

Since the membership year for Sustaining Members is January to December NOW is the right time to join or renew your membership. The cost is \$30 for individual and \$50 for organization. Be sure to make your check out to the FNF with the notation that this is for FNSA Sustaining Membership so that funds can be credited accordingly.

Yes, I want to make an investment in my future by becoming a sustaining member in the Florida Nursing Students Association.

Individual \$30 yearly
Organization/Institution \$50 yearly
