

Why should you join Florida Nursing Students Association (FNSA)?

Networking

As a part of one of the nation's largest state in membership numbers, members have ample opportunities to **make connections** with students and faculty from all over the state. Through state convention, you will meet fellow nursing students while learning from faculty through carefully crafted focus sessions. Speak with recruiters from acclaimed nursing programs across the state and engage with representatives from leading educational review companies.

Leadership

Interested in building your leadership skills? Begin your journey with FNSA by applying and partaking in our annual elections or applying for one of our 13 committees. FNSA provides its members a platform to **grow as leaders** in the nursing profession. Learn about how to get involved on our website: fnsa.net

Professional Development

Experiences from participating in state convention such as learning from knowledgeable and inspiring speakers, defending a resolution, campaigning for an elected position, and applying for scholarships, affords members the opportunity to grow their professional skills while **strengthening their resume**.

Advocacy

As the future of nursing, we have the power to **inspire change**. Members benefit from having a platform to advocate for a cause or legislation they are passionate by writing a resolution for FNSA's Annual Convention or speaking with Florida's legislators at FNA Advocacy Days.

Scholarships

FNSA's strives to reward and recognize members' **diligence, dedication, and compassion** through various scholarships. Scholarships are open to all members and are awarded at our annual convention.

NSNA Benefits

As a member of FNSA, you are also a member of the National Student Nurses Association. Find out about the **numerous benefits** of NSNA membership such as exclusive discounts at nsna.org

Why wait? Join Today!

Contact your local chapter and ask how to become a member. Does your school not have a chapter? Ask me how to start a chapter at your school today.
